**MESSAGE FROM MANAGING DIRECTOR**

**Dear Shareholders,**

I would like to convey to all of you my warm greetings. I hope you and your loved ones are safe and in good health. I extend my heartfelt gratitude for your enduring trust and unwavering support in our journey. Your belief in our vision has been pivotal in propelling us forward, even in the face of challenges.

It is my pleasure to present the Integrated Annual Report of Medico Intercontinental Limited for the financial year 2024-2025. As you know, this period has been marked by significant developments that have seminally transformed your Company.

In the vibrant landscape of the Indian economy, the pharmaceutical sector stands as a beacon of innovation and resilience. Our collective efforts have not only contributed to the growth of our company but also to the advancement of healthcare.

To further enhance product reach, we entered into agreement with Medico Lab and made it our Joint Venture in the F.Y. 2024-25.

With our trading operations in PAN India, our legacy is built on trust, innovation and a steadfast commitment to responsible growth. We are driving this by modernizing infrastructure, fostering a culture to enhance collaboration and innovation, and leveraging data-driven insights and AI to improve decision making and efficiency.

As we look to the future, we are well-positioned to meet India's growing healthcare needs. With an expanded product portfolio, our focus in 2025 will be on unlocking the full potential of our existing products in the market.

Our achievements are built on the steadfast dedication and efforts of our employees. On behalf of the Board, I sincerely thank them for their valuable contributions. I also extend our gratitude to our customers, partners, investors, and stakeholders for their trust and support. Guided by our purpose of chasing the miracles of science to improve people's lives, we step into the next financial year with confidence and commitment.

Once again, thank you for your steadfast support.

**Samir D Shah**

29. The facility for voting through electronic voting system shall also be made available during the time of meeting and Members attending the meeting who have not already cast their vote by remote e-voting shall be able to exercise their right at the meeting.
30. **THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

**Step 1:** Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins on Saturday, 27th September, 2025 at 9:00 A.M. and ends on Monday, 29th September, 2025 at 5:00 P.M. During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday, 23rd September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities

in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1:** Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**Explanatory Statement pursuant to Section 102 (1) of the Companies Act, 2013:**

The following Explanatory Statements, as required under Section 102 of the Companies Act, 2013, set out all material facts relating to the business under Item No. 3 to 9 of the accompanying Notice.

**Item No. 3:**

In accordance with Section 204 of the Companies Act 2013, read with the rules framed thereunder, and Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), every listed entity is required to undertake Secretarial Audit by a Peer Reviewed Secretarial Auditor who shall be appointed by the Members of the Company, on the recommendation of the Board of Directors, for a period of five consecutive years.

Based on the recommendation of the Audit Committee, the Board, at its Meeting held on May 30, 2025, subject to the approval of the Members of the Company, approved appointment of M/s. Agarwal & Mehta Company Secretaries LLP (LLPIN: AAN-6741 and ICSI UNIQUE CODE NO.: L2018GJ004600) as the Secretarial Auditors of the Company, for a term of five (5) consecutive years, to hold office of the Secretarial Auditor from the Financial Year 2025-26 upto Financial Year 2029-30.

M/s. Agarwal & Mehta Company Secretaries LLP is an LLP led by two partners, who are experienced and qualified Company Secretaries. Both the Partners are having rich experience in delivering comprehensive professional services across Corporate Laws, SEBI Regulations and FEMA Regulations. The firm is Peer Reviewed by the Institute of the Company Secretaries of India.

M/s. Agarwal & Mehta Company Secretaries LLP had consented to their appointment as the Secretarial Auditors of the Company and have confirmed that they fulfill the criteria as specified in Clause (a) of regulation 24A (1A) of the SEBI Listing Regulations and have not incurred any of disqualifications as specified by the Securities and Exchange Board of India.

The proposed remuneration to be paid to M/s. Agarwal & Mehta, is Rs. 2,02,500/- (Rupees Two Lakhs Two Thousand Five Hundred only) plus out of pocket expenses and applicable taxes for the F.Y. 2025-26. For the subsequent years, the Board of Directors will decide the remuneration based on recommendations of Audit Committee. There is no material change in the fees payable to M/s. Agarwal & Mehta from that paid to the previous Secretarial Auditor.

Accordingly, consent of the Members is sought for approval of the aforesaid appointment of the Secretarial Auditors.

The Board recommends the approval of the Members for appointment of Secretarial Auditors and passing of the Special Resolution set out at Item No. 3 of this Notice.

None of the Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in this Resolution.

**Item No. 4:**

Under the provisions of Section 180(1)(c) of the Act, Board of Directors of a Company could, with the consent of the shareholders obtained by a Special Resolution, borrow monies, apart from temporary loans obtained from the Company's Bankers in the ordinary course of business, in excess of the aggregate of paid-up capital and free reserves of the Company. Therefore, it is necessary to obtain approval of the shareholders by means of a Special Resolution, to enable the Board of Directors of the Company to borrow moneys, apart from temporary loans obtained from the Company's Bankers in the ordinary course of business, in excess of the paid up capital and free reserves of the Company.

The shareholders of the Company, through earlier resolutions had accorded their consent to the Board of Directors for borrowing up to Rs. 20 crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher, in any financial year.

It is proposed to increase the borrowing limits to enable the Directors to borrow monies, provided that the total amount so borrowed by the Board shall not at any time exceed Rs. 100 Crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher, in any financial year. The Company shall ensure that the debt equity ratio of the Company, at all times, will be within prudent limits. It is necessary to obtain fresh approval of the shareholders by means of a Special Resolution.

The Board recommends the Resolution at Item No. 4 of the Notice for approval of the shareholders by a Special Resolution.

None of the Directors and key managerial personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 4 of the Notice.

**Item No. 5:**

Under the provisions of Section 180 (1)(a) of the Act, the Board of Directors of a Company could, with the consent of the shareholders obtained by a Special Resolution, create charge/ mortgage/ hypothecation on the Company's assets, both present and future, in favour of the lenders/ trustees for the holders of debentures/ bonds, to secure the repayment of monies borrowed by the Company (including temporary loans obtained from the Company's Bankers in the ordinary course of business).

The shareholders of the Company, through earlier resolutions had accorded their consent to the Board of Directors for creation of charges/mortgages/hypothecations for an amount not exceeding Rs. 20 Crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher, in any financial year.

Therefore, approval of the shareholders by means of a Special Resolution is sought, to enable the Board of Directors of the Company to create charge/ mortgage/ hypothecation on the Company's assets, both present and future, in favour of the lenders/ trustees for the holders of debentures/ bonds, to secure the repayment of monies borrowed by the Company (including temporary loans obtained from the Company's Bankers in the ordinary course of business) under Section 180 (1) (a) of the Act for creation of charges/mortgages/hypothecations for an amount not exceeding Rs. 100 crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher, in any financial year.

The proposed borrowings of the Company may, if necessary, be secured by way of charge/ mortgage/ hypothecation on the Company's assets in favour of the lenders/ holders of securities / trustees for the holders of the said securities as mentioned in the Resolution at Item No. 5.

As the documents to be executed between the lenders/security holders/ trustees for the holders of the said securities and the Company may contain provisions to take over substantial assets of the Company in certain events, it is necessary to pass a special resolution under Section 180(1)(a) of the Act, for creation of charges/mortgages/ hypothecations for an amount not exceeding Rs. 100 crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher, in any financial year.

The Board recommends the Resolution at Item No. 5 of the Notice for approval of the shareholders by a Special Resolution.

None of the Directors and key managerial personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 5 of the Notice.

**Item No. 6**

Mr. Samir D Shah was re-appointed as Managing Director of the Company by the Board of Directors as recommended by the Nomination and Remuneration Committee in their meetings held on May 29, 2023, w.e.f. August 15, 2023 for a period of 5 years. The same was subsequently approved by the members at the AGM held on September 30, 2023.

Further considering the Company's performance, the progress made and targets achieved by the Company and as per the recommendation of the Nomination and Remuneration Committee, the Board of Directors at its meeting held on August 14, 2025 approved revision of remuneration of Mr. Samir D Shah, Managing Director with effect from April 1, 2025.

As per the requirements of Section 197 of the Companies Act, 2013 and Schedule V of the said Act, member's approval by way of special resolution is required for payment of remuneration in excess of limits prescribed under the Companies Act, 2013.

Members of the Nomination and Remuneration Committee of the Company have recommended Board for revision in payment of remuneration to Mr. Samir D Shah, Managing Director of the Company, as detailed in the resolution.

Mr. Samir Dilipkumar Shah is willing to provide his services as Managing Director of the Company at remuneration as detailed in the resolution.

The Managing Director shall not be paid any sitting fees for attending the Meeting of the Board of Directors or Committees thereof.

Mr. Samir D Shah, Mrs. Tanvi Shah and Mr. Dilipkumar Shah being the relative, may be deemed to be interested

in this resolution to the extent of his remuneration which Mr. Samir D Shah is entitled to receive as Managing Director.

The Board of Directors recommends the special resolution for approval of the Members of the Company.

None of the Directors and their relatives are concerned or interested, financially or otherwise, in the said resolution save and except to the extent of their ownership and management rights, if any, in the entity mentioned in the said resolution.

**Item No. 7**

The Company is expected to render support for the business requirements of other companies in the group, from time to time. However, owing to certain restrictive provisions contained in the Section 185 of the Companies Act, 2013 and subject to amendments as may be notified from time to time, the Company with the approval of members by way of Special Resolution, would be in a position to provide financial assistance by way of loan to other entities in the group or give guarantee or provide security in respect of loans taken by such entities, for their principal business activities.

The members may note that Board of Directors would carefully evaluate proposals and provide such loan, guarantee or security proposals through deployment of funds out of internal resources / accruals and / or any other appropriate sources, from time to time, only for principal business activities of the group entities.

Hence, in order to enable the Company to advance loan to Subsidiaries / Associates / Joint Ventures/ other companies/ firms in which directors are interested directly or indirectly under Section 185 of the Companies Act, 2013 required approval of members by Special Resolution.

The members of the Company at the Annual General Meeting held on September 30, 2021 had passed a resolution authorizing the Board of Directors of the Company to give guarantee, loans and make investments of securities of body corporate as per Section 185 of the Companies Act, 2013 from time to time, up to Rs. 40 Crores.

The Company is considered necessary to increase the limits from Rs. 40 Crores to Rs. 100 Crores, in any financial year, to facilitate any opportunities for inorganic growth and make other strategic investments.

The Board of Directors recommends the special resolution for approval of the Members of the Company.

None of the Directors, Key managerial personnel and their relatives are concerned or interested in the aforesaid resolution except to the extent of their shareholding in the Company.

**Item No. 8**

In terms of section 186 of the Companies Act, 2013, no company shall directly or indirectly:

- a. Give any loan to any person or other body corporate;
- b. Give guarantee, or provide security, in connection with a loan to any other body corporate or person; and
- c. Acquire, by way of subscription, purchase or otherwise the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account, or one hundred percent of its free reserves and securities premium account, whichever is more unless authorized by a special resolution passed in a general meeting of the members of the company.

The members of the Company at the Annual General Meeting held on September 30, 2021 had passed a resolution authorizing the Board of Directors of the Company to give guarantee, loans and make investments of securities of body corporate from time to time, up to Rs. 40 Crores.

The Company is considered necessary to increase the limits from Rs. 40 Crores to Rs. 100 Crores, in any financial year, to facilitate any opportunities for inorganic growth and make other strategic investments.

The Board of Directors recommends the resolution for the approval of members of the Company as a Special Resolution.

None of the Directors or Key Managerial Personnel or any of their relatives is, in anyway, concerned or interested in the above resolution.

Some Statements in this discussion may be forward looking. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements in the management discussion and analysis on account of various factors such as changes in Government regulations, tax regimes, impact of competition, etc.

### – Economic Outlook:

India stands resilient amid global economic challenges and geopolitical uncertainties. The First Advance Estimates of Gross Domestic Product 2024-25 projects GDP growth of 6.4% in FY 2024-25, lower than the 8.2% growth achieved in FY 2023-24, owing to demand slowdown, sharper deceleration in industrial activities, and inflationary pressures.  
(Source: [pib.gov.in](http://pib.gov.in))

Notwithstanding the prevailing challenges, India's economy is expected to remain buoyant, with a projected growth of 6.5% in FY 2025-26 and FY 2026-27, maintaining its status as the fastest growing economies. Key growth drivers include rapid infrastructure development and digitization, booming construction activity, and favorable policy reforms, among others. ### – Industry Structure and Developments:

The Indian pharmaceutical industry has grown exponentially over the past few years and is ranked third in pharmaceutical production by volume. Currently contributing around 1.72% to India's GDP, the pharmaceutical market is projected to reach a value of US\$130 billion by 2030 and US\$450 billion by 2047. The Indian pharmaceutical market grew by 7.6% in 2024, with a strong 8% CAGR from 2021 to 2024, signaling steady expansion. Growth has been primarily driven by price increases and new product introductions, with minimal

contribution from volume. Chronic therapies account for 40% of the market, led by the Cardiac segment, which has grown at a 10% CAGR (2021–2024), alongside Gastrointestinal, Pain, and Neuro/CNS therapies. The Antidiabetic market recorded a 7.1% growth in 2024, with a 6.9% CAGR over the same period. India exports to more than 200 countries in the world, with the US being the key market. The pharmaceuticals export share increased to 6.4% in FY24 from 5.8% in FY19, with export values reaching \$27.9 billion from \$19.1 billion in FY19. The Strengthening of Pharmaceutical Industry (SPI) scheme aims to enhance existing infrastructure with a total outlay of Rs. 500 crores. (Source: IBEF)

The Indian pharmaceutical industry is poised for substantial growth in the coming years, driven by a combination of favorable policies, rising incidences of chronic diseases, longer life expectancies, increasing foreign investments, accelerated adoption of innovation and technology, and a strong focus on domestic manufacturing of high-quality pharmaceutical products.

### India advantages

**Growth in partnerships and co-marketing agreements:** Partnerships and co-marketing agreements between Indian and foreign companies are expected to increase, reflecting benefits for both originators and local partners. Such alliances will drive rapid and broader market penetration for new brands while increasing sales for more established products.

**Expansion of e-pharmacy and chain businesses:** E-pharmacy sales, which were already rising rapidly, saw a strong surge in demand during the second wave of the pandemic, registering more than 25% growth. The rapid growth of the sector is encouraging investments from large businesses, and consolidation of smaller players; however, it will lead to increased competition and pressure on drug prices.

**Increase in health insurance coverage:** The central government's Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (ABPMJAY) health insurance scheme will drive healthcare access, affordability and improve health outcomes over the forecast period. The 'Aap Ke Dwar Ayushman' campaign, to facilitate door-to-door beneficiary mobilization, identified over 40 million people under the scheme.

**Low cost of production:** The presence of various generic drug companies is a major factor for India to establish a leadership position in the global pharmaceutical sector. Furthermore, India provided for ~40% of the generic demand in the United States and 25% of all medicine in the United Kingdom. India is the world's largest supplier of generic medications, accounting for ~20% of the worldwide supply by volume and supplying about half of the global vaccination demand.

**Company performance:** During the current financial year, the overall business performance has been seen improving. The total Revenue during the current financial year stood at Rs. 6763.75 Lakhs as compared to Rs. 4445.34 Lakhs in the previous year. The Profit After tax in the current year stood at Rs. 256.58 Lakhs as compared to Rs. 189.70 Lakhs in previous year which is quite impressive. Your Board is looking more confident to increase revenue and profit in coming years.

Your company is engaged in trading of pharmaceutical products. Over the years, our company has built a strong presence in the market through its cumulative experience, strong distribution network as well as sound systems and processes. Your company shall be able to leverage its existing distribution network to introduce new products in the market.

### – Opportunities and Threats:

Being a Trading company, our company is exposed to specific risks that are particular to its business and the environment within which it operates including interest rate volatility, economic cycle, and market risk. Further, venturing into new verticals and products shall also expose your company to risk. However, these also give an opportunity to exponentially grow the business.

### – Business Performance:

During the current financial year, the overall business performance has been seen improving. The total Revenue during the current financial year stood at Rs. 6763.75 Lakhs as compared to Rs. 4445.34 Lakhs in the previous year. The Profit After tax in the current year stood at Rs. 256.58 Lakhs as compared to Rs. 189.70 Lakhs in previous year which is quite impressive. Your Board is looking more confident to increase revenue and profit in coming years.

### – Outlook

With the current promoters and management at the helm, your company is hopeful about the expansion of

the business operations. Improving economic scenarios, growing consumption and demand shall create more opportunities.

It is expected that the economic conditions shall improve.

– **Risks and areas of concern:**

Our strength is our determination and team work, weakness is the low equity base, opportunities are multiples and threats are the vibrations in the economy and government policies.

In any business, risks and prospects are inseparable. As a responsible management, the Company's principal Endeavour is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

– **Internal control systems and their adequacy**

The Company has carried out the internal audit and has ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transactions are appropriately authorized, recorded and reported. Exercises for safeguarding assets and protection against unauthorized use are undertaken from time to time. The Company's audit Committee reviewed the internal control system. All efforts are being made to make the internal control systems more effective. All these measures are continuously reviewed by the management and as and when necessary, improvements are affected.

– **Material developments in human resources/industrial relations front, including number of people employed.**

The company had sufficient numbers of employees at its registered office. The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them. The company enjoyed excellent relationship with workers and staff during the year under review.

– **details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefore, including:**

There were following changes in the below-mentioned ratios which may or may not be 25% or more as compared to the immediately previous financial year:

## CORPORATE GOVERNANCE REPORT

### Company's philosophy on Code of Governance

Medico Intercontinental Limited ("the Company") believes that good Corporate Governance fosters long-term corporate goals and enhances stakeholders' value. Every day at Medico, we share a common focus "to provide Quality products & to maintain high standards in formulations and practicing high code of ethics in marketing". This means being exemplary in how we do business and unlock our innovation potential because when it comes to building trust, the actions we take and decisions we make speak louder than words. Our Code of Conduct is our constitution, supporting each of us to maximize opportunities while minimizing risks; to make bold and ethical decisions that activate our purpose; and to keep our end users i.e., patients and customers at the heart of all we do.

We implement policies and guidelines, communicate and train all stakeholders to develop a culture of compliance at every level of the organization. Conducting the operations with ethics and integrity is fundamental to the Company's philosophy and business ambitions. The Company will continue to foster responsible growth, creating long-term value for our stakeholders and business partners. The Company continues to be in compliance with the provisions of Corporate Governance as set out in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

### Board of Directors

The Board is at the helm of the governance structure at the Company. The Board has a good, diverse, and optimum mix of Executive and Non-Executive Directors. With the number of Non-Executive and Independent Directors more than one-half of the total number of Directors, the composition is in line with the applicable provisions of Companies Act, 2013 ("the Act") and Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). As on date of this Report, the Board consists of six Directors comprising one Executive Director, two Non-Executive Directors and three Independent Directors with the Chairperson of the Board being a Non-Executive Director. The composition of the Board represents optimum combination of the knowledge, experience and skills which are required by the Board to discharge its responsibilities effectively.

As on the date of this report, Mrs. Tanvi Samirbhai Shah, Non-Executive Director is the Chairperson of the Board, Mr. Ankur Amiram Dave, Independent Director is the Chairperson of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee of the Company.

Mr. Ankur Amiram Dave, Mr. Parshwa Kaushal Shah and Mr. Priyank Lalitbhai Sancheti are the Independent Directors of the Company. Mrs. Swati Jay Shah and Mrs. Tanvi S Shah are the Non-Executive Directors of the Company. ### Share Transfer System:

Shares in physical form should be lodged for transfer at the office of the Company's Registrar & Transfer Agent. Share transfers are registered and returned generally within fifteen days from the date of receipt if the relevant documents are complete in all respects. As per directives issued by SEBI, it is compulsory to trade in the Company's equity shares in dematerialized form. Effective April 1, 2019, transfer of shares in physical form has ceased. Shareholders who had lodged their request for transfer prior to March 31, 2019 and, have received the same under objection can re-lodge the transfer request after rectification of the documents. Request for transmission of shares and dematerialization of shares will continue to be accepted. The Company obtains a certificate from Practicing Company Secretaries as per the requirement of Regulation 40(9) of Listing Regulations and same is filed with the Stock Exchanges.

However, SEBI has initiated a special six-month window, effective from July 7, 2025, to January 6, 2026, for the re-lodgement of physical share transfer requests vide Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/97 dated 02<sup>nd</sup> July 2025. This provision addresses issues faced by investors whose physical share transfer deeds, submitted before April 1, 2019, were rejected, returned, or not processed due to deficiencies. While physical share transfers were discontinued from April 1, 2019, and a previous re-lodgement deadline was set for March 31, 2021, this new window aims to facilitate investing and secure investor rights. All re-lodged securities, including pending requests, will now be issued exclusively in dematerialized form, following a transfer-cum-demat process.

## INDEPENDENT AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENTS

TO THE MEMBERS OF  
MEDICO INTERCONTINENTAL LIMITED

### Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of MEDICO INTERCONTINENTAL LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (hereinafter referred to as "Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (hereinafter referred to as "SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (hereinafter referred to as "ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter

Refer to Note - 1 (Significant Accounting Policies) and Note - 1.10 (Revenue from operations) of the financial statements.  The Company's revenue is principally derived from sale of various medicine products.  In accordance with Ind AS 115, revenue from sale of goods is recognized when control of the products being sold is transferred to the customer and when there are no unfulfilled obligations. The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms of contract with the customer. Revenue is measured at fair value of the consideration received or receivable after deduction of any trade / volume discounts and taxes or duties collected.  We identified revenue recognition as a key audit matter since revenue is significant to the financial statements and is required to be recognized as per the requirements of applicable accounting framework.	We evaluated the design and tested operating effectiveness of the relevant controls with respect to revenue recognition including those relating to cut off at year end;  We assessed the appropriateness of the revenue recognition accounting policies in line with Ind AS 115 "Revenue from Contracts with Customers";  We performed substantive testing of revenue transactions, recorded during the year by testing the underlying documents which included goods dispatch notes, shipping documents and customer acknowledgments, as applicable;  We tested manual journal entries posted to revenue to identify unusual items;  We tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date including examination of credit notes issued after the year end to determine whether the revenue has been recognized in the appropriate financial period.  Based on the above stated procedures, no significant exceptions were noted in revenue recognition.

**Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India (Indian GAAPs), including the Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

**Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- o Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- o Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances; Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- o Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- o Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material

uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- o Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

### **Annexure “B” to the Independent Auditor’s Report**

(Referred to in paragraph 2 (f) under “Report on Other Legal and Regulatory Requirement of our report of even date)

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

We have audited the Internal Financial Controls over Financial Reporting of **MEDICO INTERCONTINENTAL LIMITED** as on 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control

based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's Internal Financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## STANDALONE NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2025

### NOTE - 1 :

#### 1.01 Company overview

**MEDICO INTERCONTINENTAL LIMITED** (" the Company") was incorporated on August 14, 1984 having its Registered Office at 1-5th Floor, Adit Raj Arcade, Nr Karma Shreshtha Tower, 100 Ft Rd, Satellite, Ahmedabad - 380015, Gujarat. The Company is into the business of trading of Pharmaceutical Products.

#### Basis of preparation and Significant Accounting Policies

#### 1.02 Statement of Compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act. The financial statements have been statements are consistent with those followed in the previous year.

#### 1.03 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

#### 1.04 Use of estimates

The preparation of the financial statements in conformity with IND AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

#### 1.05 Current versus Non-Current classification

The company presents assets and liabilities in the balance sheet bases on current/non-current classification. An asset is treated as current when it:

- expected to be realized or intended to be sold or consumed in normal operating cycle,
- held primarily for the purpose of trading,
- expected to be realized within twelve months after the reporting period, or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve month after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- expected to be settled in normal operating cycle,
- held primarily for the purpose of trading,
- dues to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of liability for atleast twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classifies as non-current assets and liabilities.

The operation cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

#### 1.06 Property, plant and equipment and other intangible assets

*Recognition and measurement:*

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The residual value, useful life and method of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in statement of profit or loss.

**Depreciation and amortization:**

Depreciation, on fixed assets, based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013, on Written Down Value (WDV) method. Depreciation on additions during the year is provided on prorata time basis.

**1.07 Inventories**

Inventories are valued at the lower of cost and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost of inventory includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition, valued and verified by the managements at regular interval.

**1.08 Cash and cash equivalents (for purposes of Cash Flow Statement)**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

**1.09 Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**1.10 Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, GST and amounts collected on behalf of third parties.

**Sale of products**

Timing of recognition- Revenue from sale of products is recognized when control of the products is transferred to customers based on the terms of sale.

Measurement of revenue- Revenue from sales is based on the price specified in the sales contracts, net of all expected discounts and returns in relation to sales made until the end of the reporting period.

No element of financing is deemed present as the sales are made with credit terms consistent with market practices. A receivable is recognized when the goods are dispatched, delivered or upon formal customer acceptance depending on terms of contract with the customer.

**Dividend and interest income**

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

**Other income**

Other incomes are accounted on accrual basis except specifically stated on cash basis.

**1.11 Employee benefits****Defined benefit plan****Gratuity:**

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognized in the Standalone Balance Sheet in respect of defined benefit gratuity plan, is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The liability so provided is represented by creation of separate fund and is used to meet the liability as and when it become due for payment in future. Any shortfall in the value of assets over the defined benefit obligation is recognized as a liability with a corresponding charge to the Standalone Statement of Profit and Loss.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows with reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate at the beginning of the period to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Standalone Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the Statement of changes in equity and in the Standalone Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

**Defined contribution plan**

Contributions to defined contribution schemes such as contribution to provident fund, superannuation fund, employees' state insurance corporation, national pension scheme and labour welfare fund are charged as an expense to Standalone Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as defined contribution schemes as the Company has no further defined obligations beyond the monthly contributions.

**Short-term employee benefits**

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits, etc, are recognized in the year in which the employees render the related service and are presented as current employee benefit obligations. Termination benefits are recognized as an expense as and when incurred.

Short-term employee benefits are provided at undiscounted amount during the accounting period based on service rendered by employees.

**Other long-term employee benefits**

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

**1.12 Borrowing costs**

Borrowing costs include interest; amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalization of such asset is added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

**1.13 Earnings per Share**

Basic earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

**1.14 Taxes on income****Current tax:**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

**Deferred tax:**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

**1.15 Contingent liabilities**

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

**1.16 Contingent Asset**

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. The company does not recognize a contingent asset but discloses its existence in the financial statements.

**1.17 Segment Reporting**

An operating segment is component of the company that engages in the business activity from which the company earns revenues and incurs expenses, for which discrete financial information is available and whose operating results are regularly reviewed by the chief operating decision maker, in deciding about resources to be allocated to the segment and assess its performance. The company's chief operating decision maker is the Managing Director.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

#### 1.18 Leases:

##### As a lessee:

The Company assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: i) the contract involves the use of an identified asset ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for short-term leases (leases with a term of twelve months or less), leases of low value assets and, for contract where the lessee and lessor has right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases are recognized as an operating expense on a straight-line basis over the term of the lease.

At commencement date, lease liability is measured at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use assets is initially recognized at the amount of the initial measurement of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

##### As a lessor:

Leases for which the Company is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Income from operating leases where the Company is a lessor is recognized as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Balance Sheet based on their nature. Leases of property, plant and equipment where the Company as a lessor has substantially transferred all the risks and rewards are classified as finance lease. Finance leases are capitalized at the inception of the lease at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rent receivables, net of interest income, are included in other financial assets. Each lease receipt is allocated between the asset and interest income. The interest income is recognized in the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the asset for each period.

Under combined lease agreements, land and building are assessed individually.

#### 1.19 Impairment of assets:

The carrying amount of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. An impairment loss on such assessment is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognized impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that will be determined if no impairment loss had previously been recognized.

#### 1.20 Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the assets and settle the liabilities simultaneously.

### 1.21 Dividend distribution to equity holders of the Company

The Company recognises a liability to make dividend distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

### 1.22 Investments and other financial assets

#### (i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the cash flows.

For assets measured at fair value, gains and losses will either be recorded in Statement of profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

#### (ii) Measurement

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

#### (iii) Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

#### (iv) Amortized Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

#### (v) Fair value through other Comprehensive Income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

#### (vi) Fair value through profit or loss:

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on debt investment that is subsequently measured at fair value through profit or loss is recognized in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

**(vii) Financial liabilities:**

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

**(viii) Investments in Subsidiaries:**

Investments in subsidiaries, associates and joint ventures are carried at cost in the financial statements.

**(ix) Equity Instruments:**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognized as a deduction from equity instrument net of any tax effects.

**1.23 Investments Property:**

Investment Property is measured initially at cost including related transaction costs.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent expenditures are capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Investment property is carried at cost less accumulated depreciation and impairment.

All day-to-day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of investment property are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss when the asset is derecognized.

*Depreciation and amortization:*

Depreciation, on Investment property, based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013, on Written Down Value (WDV) method. Depreciation on additions during the year is provided on prorata time basis.

\*Fair Value of Instruments is classified in various fair value hierarchies based on the following three levels:

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

**Level 3:** If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

### NOTE - 31 - FINANCIAL RISK MANAGEMENT:

The Company is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

#### (A) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables involving foreign currency exposure. The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2025 and March 31, 2024.

##### (i) Foreign currency exchange rate risk

Foreign currency risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The company is exposed to foreign currency risk due to import of materials. The company measures risk through sensitivity analysis. No outstanding amount is payable for purchase of imported material as on March 31, 2025.

##### ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. As the Company has certain debt obligations with floating interest rates, exposure to the risk of changes in market interest rates are dependent of changes in market interest rates. Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

As the Company has no significant interest bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

#### (B) Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness.

Credit risk arises primarily from financial assets such as trade receivables, investments in mutual funds, cash and cash equivalent and other balances with banks.

In respect of trade receivables, credit risk is being managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. All trade receivables are also reviewed and assessed for default on a regular basis. The concentration of credit risk is limited due to the fact that the customer base is large.

#### (C) Liquidity risk

- a. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.
- b. Management monitors rolling forecasts of the Company liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which it operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

### NOTE - 32 - EMPLOYEE BENEFIT:

#### a) Defined Contribution plan:

Provident fund

State defined contribution plans

Employers' contribution to employees' state insurance

Employers' contribution to employees' pension scheme 1995

The provident fund and the state defined contribution plans are operated by the Regional Provident Fund Commissioner. Under the scheme, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit scheme to fund the benefits. These funds are recognized by the income tax authorities. The contribution of the Company to the provident fund and other contribution plans for all employees is charged to the Standalone Statement of Profit and Loss.

The Company has recognized the following amounts in the Standalone Statement of Profit and Loss for the year.

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

### NOTE - 32 - EMPLOYEE BENEFIT: (CONTD.....)

Furthermore, in presenting the above sensitivity analysis, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the Defined Benefit Obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

#### Notes:

Gratuity is payable as per entity's scheme as detailed in the report.

Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI).

All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are considered as advised by the entity; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Weighted Average Duration of the Defined Benefit Obligation is the weighted average of cash flow timing, where weights are derived from the present value of each cash flow to the total present value.

Any benefit payment and contribution to plan assets is considered to occur end of the year to depict liability and fund movement in the disclosures.

Qualitative Disclosures
<b>Para 139 (a) Characteristics of defined benefit plan</b>
The entity has a defined benefit gratuity plan in India (unfunded). The entity's defined benefit gratuity plan is a final salary plan for employees. Gratuity is paid from entity as and when it becomes due and is paid as per entity scheme for Gratuity.
<b>Para 139 (b) Risks associated with defined benefit plan</b>
Gratuity is a defined benefit plan and entity is exposed to the Following Risks: Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability. Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. entity has to manage pay-out based on pay as you go basis from own funds. Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.
<b>Para 139 (c) Characteristics of defined benefit plans</b>
During the year, there were no plan amendments, curtailments and settlements.
<b>Para 147 (a)</b>
Gratuity plan is unfunded.

## INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

TO THE  
MEMBERS OF  
MEDICO INTERCONTINENTAL LIMITED

### Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of MEDICO INTERCONTINENTAL LIMITED ("the Holding company") and its subsidiary, joint venture (Holding Company and its subsidiary together referred to as "the Group", which comprise the consolidated Balance Sheet as at 31st March, 2025, the consolidated Statement of Profit and Loss, the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (hereinafter referred to as "Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the consolidated profit and total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (hereinafter referred to as "SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (hereinafter referred to as "ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
Revenue recognition as per Ind AS 115	Our audit procedures included the following:
Refer to Note - 1 (Significant Accounting Policies) and Note - 1.10 (Revenue from operations) of the financial statements.	We evaluated the design and tested operating effectiveness of the relevant controls with respect to revenue recognition including those relating to cut off at year end;
The Company's revenue is principally derived from sale of various medicine products.	We assessed the appropriateness of the revenue recognition accounting policies in line with Ind AS 115 "Revenue from Contracts with Customers";
In accordance with Ind AS 115, revenue from sale of goods is recognized when control of the products being sold is transferred to the customer and when there are no unfulfilled obligations. The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms of contract with the customer. Revenue is measured at fair value of the consideration received or receivable after deduction of any trade/volume discounts and taxes or duties collected.	We performed substantive testing of revenue transactions, recorded during the year by testing the underlying documents which included goods dispatch notes, shipping documents and customer acknowledgments, as applicable;
We identified revenue recognition as a key audit matter since revenue is significant to the financial statements and is required to be recognized as per the requirements of applicable accounting framework.	We tested manual journal entries posted to revenue to identify unusual items;
	We tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date including examination of credit notes issued after the year end to determine whether the revenue has been recognized in the appropriate financial period.
	Based on the above stated procedures, no significant exceptions were noted in revenue recognition.

### Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

### Management's Responsibility for the Financial Statements

The Holding Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India (Indian GAAPs), including the Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- o Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- o Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances; Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- o Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- o Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- o Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

We did not audit the annual financial statements of four subsidiaries and one joint venture

1. EVAGRACE PHARMA PRIVATE LIMITED
2. RITZ FORMULATIONS PRIVATE LIMITED
3. SUNGRACE PHARMA PRIVATE LIMITED
4. AZILLIAN HEALTHCARE PRIVATE LIMITED
5. MEDICO LAB (Joint Venture)

- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the holding company and reports of the statutory auditors of its subsidiary company, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group, joint venture and the operating effectiveness of such controls, refer to our separate Report in “Annexure – A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group, joint venture internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - o the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, joint venture - (Refer Note 29 to the consolidated financial statements);
  - o The Group, joint venture did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - o There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
  - o The final dividend paid by the Holding Company and its subsidiaries incorporated in India during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend
  - o
    - a. The respective Managements of the company and its subsidiaries which are incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and brief belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from the borrowed funds or share premium or any other sources or kind of funds) by the Company or any such of subsidiaries to or in any other person or entity including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries (“Ultimate beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries.
    - b. The respective Management of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of the knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the company or any of subsidiaries from any person or entity, including foreign entity (“Funding parties”) with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall directly or indirectly, lend or invest in other persons or entities identified in any manner what’s the whatsoever by or on behalf of the funding party (“Ultimate beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - c. Based on audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations are under sub clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanation given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of MEDICO INTERCONTINENTAL LIMITED (“the Holding Company”) and its subsidiary as of 31st March, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Respective Board of Directors of the Holding Company and its subsidiary management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future

periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Holding Company and its subsidiary, joint venture have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**
**NOTE NO. 1:**
**1.01 GROUP OVERVIEW**

The Consolidated Financial Statements (hereinafter referred to as "financial statements") comprise financial statements of The MEDICO INTERCONTINENTAL LIMITED (the Parent), its subsidiaries (collectively referred to as Group) for the year ended March 31, 2025.

**MEDICO INTERCONTINENTAL LIMITED** ("the company") was incorporated on August 14, 1984 having its Registered Office at 1-5th Floor, Adit Raj Arcade, Nr Karma Shreshtha Tower, 100 Ft Rd, Satellite, Ahmedabad - 380015, Gujarat. The Company is into the business of trading of pharmaceuticals products.

**Basis of preparation and Significant Accounting Policies**
**1.02 Statement of Compliance**

The financial statements of the Group have been prepared in accordance with the Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

**1.03 Basis of preparation and presentation**

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

**1.04 Use of estimates**

The preparation of the financial statements in conformity with IND AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

**1.05 Current versus Non-Current classification**

The Group presents assets and liabilities in the balance sheet bases on current/non-current classification. An asset is treated as current when it:

- expected to be realized or intended to be sold or consumed in normal operating cycle,
- held primarily for the purpose of trading,
- expected to be realized within twelve months after the reporting period, or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- expected to be settled in normal operating cycle,
- held primarily for the purpose of trading,
- dues to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of liability for atleast twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classifies as non-current assets and liabilities.

The operation cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

### 1.06A Property, Plant and Equipment's and other Intangible Assets

#### Recognition and measurement:

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in statement of profit or loss.

#### Depreciation and Amortization:

Depreciation, on fixed assets, based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013, on Written Down Value (WDV) method. Depreciation on additions during the year is provided on pro-rata time basis.

### 1.06B Investment Property:

Investment Property is measured initially at cost including related transaction costs.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent expenditures are capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Investment property is carried at cost less accumulated depreciation and impairment.

All day-to-day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of investment property are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss when the asset is derecognized.

#### Depreciation and amortization:

Depreciation, on Investment property, based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013, on Written Down Value (WDV) method. Depreciation on additions during the year is provided on pro-rata time basis.

### 1.07 Inventories

Inventories are valued at the lower of cost and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost of inventory includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

### 1.08 Cash and Cash Equivalents (for purposes of Cash Flow Statement)

Cash comprises Cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### 1.09 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

### 1.10 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, GST and amounts collected on behalf of third parties.

### **Sale of Products**

Timing of recognition - Revenue from sale of products is recognized when control of the products is transferred to customers based on the terms of sale.

Measurement of revenue - Revenue from sales is based on the price specified in the sales contracts, net of all expected discounts and returns in relation to sales made until the end of the reporting period.

No element of financing is deemed present as the sales are made with credit terms consistent with market practices. A receivable is recognized when the goods are dispatched, delivered or upon formal customer acceptance depending on terms of contract with the customer.

### **Dividend and interest income**

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

### **Other income**

Other incomes are accounted on accrual basis except specifically stated on cash basis.

## **1.11 Employee benefits**

### **Defined benefit plan**

#### **Gratuity:**

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognized in the Consolidated Balance Sheet in respect of defined benefit gratuity plan, is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The liability so provided is represented by creation of separate fund and is used to meet the liability as and when it become due for payment in future. Any shortfall in the value of assets over the defined benefit obligation is recognized as a liability with a corresponding charge to the Consolidated Statement of Profit and Loss.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows with reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate at the beginning of the period to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Consolidated Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the Statement of changes in equity and in the Consolidated Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

### **Defined contribution plan**

Contributions to defined contribution schemes such as contribution to provident fund, superannuation fund, employees' state insurance corporation, national pension scheme and labour welfare fund are charged as an expense to Consolidated Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as defined contribution schemes as the Company has no further defined obligations beyond the monthly contributions.

### **Short-term employee benefits**

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits, etc, are recognized in the year in which the employees render the related service and are presented as current employee benefit obligations. Termination benefits are recognized as an expense as and when incurred.

Short-term employee benefits are provided at undiscounted amount during the accounting period based on service rendered by employees.

#### **Other long-term employee benefits**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

### **1.12 Borrowing Costs**

Borrowing costs include interest; amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalization of such asset is added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

### **1.13 Earnings Per Share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

### **1.14 Taxes on income**

#### **Current tax:**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### **Deferred tax:**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

### **1.15 Contingent Liabilities**

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

### **1.16 Contingent Asset**

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control

of the company. The company does not recognize a contingent asset but discloses its existence in the financial statements.

### 1.17 Segment Reporting

An operating segment is component of the Group that engages in the business activity from which the Group earns revenues and incurs expenses, for which discrete financial information is available and whose operating results are regularly reviewed by the chief operating decision maker, in deciding about resources to be allocated to the segment and assess its performance. The Parent Company's chief operating decision maker is the Managing Director.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses.

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

### 1.18 Leases:

#### As a lessee:

The Group assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: i) the contract involves the use of an identified asset ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Group recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for short-term leases (leases with a term of twelve months or less), leases of low value assets and, for contract where the lessee and lessor has right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases are recognized as an operating expense on a straight-line basis over the term of the lease.

At commencement date, lease liability is measured at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use assets is initially recognized at the amount of the initial measurement of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

#### As a lessor:

Leases for which the Group is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Income from operating leases where the Group is a lessor is recognized as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Balance Sheet based on their nature. Leases of property, plant and equipment where the Group as a lessor has substantially transferred all the risks and rewards are classified as finance lease. Finance leases are capitalized at the inception of the lease at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rent receivables, net of interest income, are included in other financial assets. Each lease receipt is allocated between the asset and interest income. The interest

income is recognized in the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the asset for each period.

Under combined lease agreements, land and building are assessed individually.

#### 1.19 Impairment of assets:

The carrying amount of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal / external factors. An impairment loss on such assessment is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognized impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that will be determined if no impairment loss had previously been recognized.

#### 1.20 Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the assets and settle the liabilities simultaneously.

#### 1.21 Investments and other Financial Assets

##### (i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the cash flows.

For assets measured at fair value, gains and losses will either be recorded in Statement of profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for equity investment at fair value through other comprehensive income.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

##### (ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

##### (iii) Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments.

##### (iv) Amortized cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

##### (v) Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value

through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**(vi) Fair value through profit or loss:**

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on debt investment that is subsequently measured at fair value through profit or loss is recognized in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

**(vii) Financial Liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

**(viii) Investments in Subsidiaries**

Investments in subsidiaries, associates and joint ventures are carried at cost in the separate financial statements.

**(ix) Equity Instruments**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognized as a deduction from equity instrument net of any tax effects.

## 1.22 Basis of Consolidation

The Parent Company consolidates entities which it owns or controls and applies equity method of accounting where the Company has significant influence over the other entity.

### Consolidation of Subsidiary

The Parent Company controls an entity when it is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Power is demonstrated through existing rights that give the current ability to direct the relevant activities of the entity that significantly affect the entity's returns.

Subsidiary is consolidated from the date control commences until the date control ceases.

Consolidated Financial Statements combine like items of assets, liabilities, equity, income, expenses and cash flows of the Parent Company with those of the subsidiary. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date. Offset the carrying amount of the Parent Company's investment in subsidiary and the Parent Company's portion of the equity of each subsidiary. Intragroup transactions, balances and unrealized gains and losses on transactions between entities of group are eliminated. Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. IND AS 12, Income taxes, applies to temporary differences that arise from the elimination of profit and losses resulting from intragroup transactions.

Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and events in similar circumstances.

Non-Controlling Interests in the profit or loss and equity of subsidiary are shown separately in the consolidated financial statements of profit and loss and consolidated statement of changes in equity respectively.

### Consolidation joint Vetnure

The consolidated financial statements include the parent company's share of assets, liabilities, income, and expenses of its joint ventures, consolidated using the proportionate consolidation method. The parent's share in each line item is determined based on its proportion of ownership interest as at the reporting date

## 1.23 Investment in joint ventures:

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control

of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investments in joint venture are accounted for using the proportionate consolidation method.

Under this method, the company includes its share of the assets, liabilities, income, and expenses of each joint venture, based on its ownership percentage, in the respective lines of the consolidated financial statements.

The company recognizes its share of each asset, liability, income, and expense from joint ventures in the consolidated accounts on a line-by-line basis, in proportion to its ownership or contractual share.

The company's consolidated balance sheet reflects its proportionate share of the joint ventures' assets and liabilities. Similarly, the consolidated statement of profit and loss reflects the company's proportionate share of revenue and expenses from joint ventures.

Intragroup balances and transactions, and any unrealized gains or losses arising from such transactions with joint ventures, are eliminated to the extent of the company's interest.

The company's share of each category (e.g., inventories, property, plant and equipment, trade receivables, payables, revenues, and costs) is presented within the corresponding line items of the consolidated statements.

The ownership percentage used for proportionate consolidation is reviewed annually and is determined as per joint venture agreements.

Assessment of joint control is done at the inception of the arrangement and whenever there is a change in rights or obligations.

\*Fair value of Instruments is classified in various fair value hierarchies based on the following three levels:

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

**Level 3 :** If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

<b>Sensitivity Analysis</b>		
<b>Defined Benefit Obligation on Current Assumptions</b>	<b>24.03</b>	<b>14.85</b>
Delta Effect of +1% Change in Rate of Discounting	(2.24)	(1.29)
Delta Effect of -1% Change in Rate of Discounting	2.67	1.52
Delta Effect of +1% Change in Rate of Salary Increase	2.63	1.51
Delta Effect of -1% Change in Rate of Salary Increase	(2.25)	(1.30)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.20)	(0.01)
Delta Effect of -1% Change in Rate of Employee Turnover	0.22	0.00

The sensitivity analysis has been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the Defined Benefit Obligation as recognised in the balance sheet.

**Notes :**

Gratuity is payable as per entity's scheme as detailed in the report.

Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Since it is the first year of the company's operations, we have considered the Current Service Cost to be the same as the Defined Benefit Obligation.

Salary escalation & attrition rate are considered as advised by the entity; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Weighted Average Duration of the Defined Benefit Obligation is the weighted average of cash flow timing, where weights are derived from the present value of each cash flow to the total present value.

Any benefit payment and contribution to plan assets is considered to occur at the end of the period to depict liability and fund movement in the disclosures.

<b>Qualitative Disclosures</b>	
<b>Para 139 (a) Characteristics of defined benefit plan</b>	
The Entity has a defined benefit gratuity plan in India (unfunded). The Entity's defined benefit gratuity plan is a final salary plan for employees.  Gratuity is paid from entity as and when it becomes due and is paid as per entity scheme for Gratuity.	

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

## NOTE - 34 - EMPLOYEE BENEFIT: (CONTD.....)

<b>Para 139 (b) Risks associated with defined benefit plan</b>	
<p>Gratuity is a defined benefit plan and entity is exposed to the Following Risks:</p> <p>Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.</p> <p>Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.</p> <p>Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Entity has to manage pay-out based on pay as you go basis from own funds.</p> <p>Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.</p>	
<b>Para 139 (c) Characteristics of defined benefit plans</b>	
During the year, there were no plan amendments, curtailments and settlements.	
<b>Para 147 (a)</b>	
Gratuity plan is unfunded.	

## NOTE - 35 - FINANCIAL RISK MANAGEMENT:

The Group is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Group assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

**(A) Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables involving foreign currency exposure. The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31st March, 2025 and 31st March, 2024.

**(B) Foreign currency exchange rate risk**

Foreign currency risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The company is exposed to foreign currency risk due to import of materials. The company measures risk through sensitivity analysis. No outstanding amount is payable for purchase of imported material as on March 31, 2025.

**i) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. As the Group has certain debt obligations with floating interest rates, exposure to the risk of changes in market interest rates are dependent of changes in market interest rates. Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

As the Group has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**
**NOTE - 35 - FINANCIAL RISK MANAGEMENT: (CONTD.....)**
**(C) Credit Risk**

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness.

Credit risk arises primarily from financial assets such as trade receivables, investments in mutual funds, cash and cash equivalent and other balances with banks.

In respect of trade receivables, credit risk is being managed by the Group through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business. All trade receivables are also reviewed and assessed for default on a regular basis. The concentration of credit risk is limited due to the fact that the customer base is large.

**(D) Liquidity risk**

- Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.
- Management monitors rolling forecasts of the Company liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which it operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

**Maturities of financial liabilities:**

The tables below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.
